

## SPEAKER SERIES

# Bob Michelson PHOTOGRAPHY with your SMART DEVICE

Bring your device and follow along as a professional photographer explains how to get the most out of its picture-taking features.

**Bob Michelson** has been a professional photographer and videographer since 1974. He is founder and president of Photography By Michelson, Inc. in Braintree, MA. He specializes in photography and video services for weddings, Bar-Mitzvahs, and other family and corporate events.

In addition to photographing and videotaping well over 2000 events in his tenure, Bob is also an accomplished underwater photographer and television producer whose work has been broadcast on every local and national network and published in numerous local, regional, and national magazines and newspapers.
