JEFF BELANGER

A Supernatural Evening

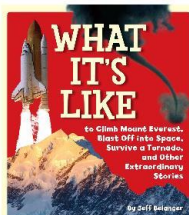

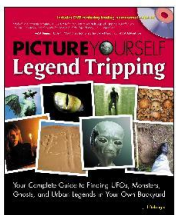

Last year at this time, Jeff Belanger impressed a large audience here with his knowledge of the mysteries and legends of “Weird Massachusetts”, speaking with energy, charm, and wit. Now, at this Halloween season, he’ll return to give us a broad overview of things that go bump in the night, and much more spookiness.

Jeff Belanger is one of the most visible and prolific paranormal researchers today and he’s the Emmy-nominated host and producer of the *New England Legends* series which debuted on PBS in October of 2013.

He is the author of over a dozen books on the paranormal (published in six languages). He's the founder of Ghostvillage.com, the Web's most popular paranormal destination, according to Google, and a noted speaker and media personality. In January of 2014 he was asked to give a prestigious TEDx talk in New York City.

He's been the host of the cable/Web talk show, *30 Odd Minutes* which went to over 9 million homes in the United States and Europe on Sky TV. Belanger has written for newspapers like *The Boston Globe* and is the series writer and researcher for *Ghost Adventures* on the Travel Channel.
